

To our valued vendors,

Third Coast Infrastructure, LLC and its subsidiaries and affiliated entities listed below (Third Coast ¹) initialized OpenInvoice™ provided by Enverus and we are asking all vendors to submit their invoices and tickets through electronic invoicing.

Electronic invoicing will provide priority approvals for e-invoices versus paper invoices, facilitate electronic dispute resolution, and allow your company to track invoices on-line.

If you already have an account in OpenInvoice and need to be enabled, please email:

openinvoicesupport@enverus.com

If you do not have an OpenInvoice account, you can register using the below link or go to openinvoice.com and click Join Now <https://www.openinvoice.com/docp/public/OILogin.xhtml>

The Client Submission Guidelines are available for download in the OpenInvoice™ Resource Center.

Should you have any questions about your OpenInvoice account, you may contact:

openinvoicesupport@enverus.com

We look forward to collaborating with you on this electronic invoicing initiative.
